ESSAY QUESTION

Colleen Ritzer, the young woman for whom this scholarship is named, had a passion for teaching from a very young age. In her college essay she wrote: *“Teachers have been an inspiration to me ever since I was just a young girl. Starting in pre-school, I knew I loved helping the teachers and would one day want to be just like them. My dream is to become a teacher, one who shapes the minds and lives of children. My goal has always been to become a teacher that will impact students’ lives.”* *

In a typed essay of no more than 500 words, please describe why you want to pursue a degree in education and what or who has inspired you. Attach your essay on a separate sheet of paper.
